Dear Sir:

In response to the Requirement for Election of Species dated September 7, 2004, Applicants hereby elect, with traverse, the species pertaining to claims 3-5 for prosecution in the above-identified patent application. Since, as the Examiner notes, claim 1 is generic, examination of claims 1-5 should be forthcoming. Nevertheless, even if claim 1 were not generic, all claims could be examined in a single application without undue burden. Accordingly, it is respectfully requested that the Examiner reconsider the requirement for election of species.

If any fees are due in connection with the filing this Response to Restriction Requirement, the Commissioner is hereby authorized to charge such fees to Deposit Account 500388 (Order No. ICH1P006).

Respectfully submitted,  
BEYER WEAVER & THOMAS, LLP
